_____?

8. I've been there several times.

_____?

9. I will be preparing for my trip.

_____?

10. I would fly over the clouds.

_____?

B) Work with a partner. Student A will ask questions in order to fill in the missing information. Student B answers. Then, switch roles.

Student A: Hidena quickly ate _____ because she was late for an _____. The president of Dolls-R-us had _____ her to an interview and she really needed to be there on time. Thankfully, she had just bought a _____ and the weather was beautiful, so driving there would be _____. She hastily brushed her _____, checked her _____ in the mirror, ran to the front door of her apartment and slipped her _____ on. When she opened the door and stepped outside, her _____ sank. A tow-truck was lifting her car off the street. She couldn't believe it. She hurried down the front steps and ran up to the _____ of the truck. He was a _____ man with a dark stain on his white undershirt. She said "hey, that's my car! Put it down!" The driver just laughed and said, "_____" and slipped her a _____ with a telephone number on it. She began to panic. "But I have a job interview and need to be there in _____, can you just let me off with a warning?" she asked. "No," he said, smiling, "but I can give you a lift." She didn't know what to do. Part of her didn't feel like riding with this large dirty man. But, did she have a choice? "Okay," she said and sighed. An hour later, _____ jumped for joy as she exited the Dolls-R-us building. She dialed the number on the card the driver had given her. She heard him pick up on the other end. She said, "_____"

Student B: _____ quickly ate breakfast because she was late for an important meeting. _____ of Dolls-R-us had invited her to an interview and she really needed _____. Thankfully, she had just bought a new car and the weather was _____, so driving there would be easy. She _____ brushed her teeth, checked her appearance in the mirror, ran to _____ of her apartment and slipped her high heels on. When she opened _____ and stepped outside, her heart sank. A _____ was lifting her car off the street. She couldn't believe it. She hurried down the front steps and ran up to the driver of the truck. He was a large muscular man with a _____ on his white undershirt. She said "_____" The driver just laughed and said, "sorry honey, no parking after seven. Take it up with the authorities," and slipped her a card with a _____ on it. She began to panic. "But I have a _____ and need to be there in fifteen minutes, can you just let me off with a warning?" she asked. "No," he said, smiling, "but I can give you a ____." She didn't know what to do. Part of her didn't feel like _____ large dirty man. But, did she have a choice? "Okay," she said and sighed. An hour later, Hidena jumped for joy as she exited the _____. She dialed the number on the card the driver had given her. She heard _____ on the other end. She said, "thank you so much!"
