## *Would You...?*

Lev 4

Would you ever live in a foreign country?

Would you ever cheat on your spouse?

Would you ever become an astronaut?

Would you ever steal something?

Would you ever tell a lie?

Would you ever do something illegal?

Would you ever drive drunk?

Would you ever get angry at your boss?

Would you ever eat alligator meat?

Would you ever get plastic surgery?

Would you ever do volunteer work?

Would you ever beg for money?

Would you ever put ketchup on your eggs?

Would you ever go swimming with sharks?

Would you ever adopt a stray animal?

Would you ever marry someone from a different culture?

Would you ever buy a ten-cent sandwich?

Would you ever consider being a circus performer?

Would you ever have lunch with the queen of England?

Would you ever drive fifty over the limit?

Would you ever go winter camping?

Would you ever consider being a sumo wrestler?

Would you ever sing in front of the class?
